| 330mm  | 420mm  | 235mm | 2            | 20W each    | 3.0Kg  |   |
| Reduced Depth Double Stem Wall Light with Silk or Lattice – TL-RDWSTEM |        |       |              |             |        |  |
| 240mm  | 420mm  | 150mm | 2            | 20W each    | 3.0Kg  |   |
| Single Stem Wall Light with Silk or Lattice – TL-WSTS                  |        |       |              |             |        |  |
| 110mm  | 420mm  | 235mm | 1            | 20W each    | 2.0Kg  |   |
| Reduced Depth Single Stem Wall Light with Silk or Lattice – TL-RDWSTS  |        |       |              |             |        |  |
| 110mm  | 420mm  | 150mm | 1            | 20W each    | 2.0Kg  |   |

## General:

All of our lamp holders are standard large Edison Screw (E27).

Made to IEC Standards designed to operate at 240V/50Hz. Certification for National Deviations e.g. AS/NZS is available on request.

All measurements and weights are approximate - our lights are hand crafted so there will be some variation.

Dimmable LED filament light sources are supplied included.

We recommend using only candle or golf ball style light sources in this wall light.

## Assembly:

You will need a qualified electrician to install your light.

Our lights come with comprehensive installation instructions. They shouldn't need much maintenance, but we give you some information on that too.

## Modifications available:

- Client's own silk shades
- Custom silk shades - any colour from Pongees 745 Indian Douppion or 431D Crepe Satin range
- Certified IP44 version available (see next page).

Call us for more information on modifications.

## Energy Rating:

## Packaging Information:

Please contact us for packaging information on smaller products as the box weights and dimensions are dependent on the quantity of lights in the order.

## IP44 STEM WALL LIGHT WITH SILK OR LATTICE

Model Number – TL-IP44WSTEM; TL- IP44RDWSTEM; TL- IP44WSTS;  
TL- IP44RDWSTS

| 110mm   | 420mm  | 235mm | 1            | 5W each     | 2.0Kg  |  |
| IP44 Reduced Depth Single Stem Wall Light with Silk or Lattice – TL-RDWSTS  |        |       |              |             |        |  |
| 110mm   | 420mm  | 150mm | 1            | 5W each     | 2.0Kg  |  |

### Differences from standard wall lights:

All lamp holders in IP44 wall lights are G9.

IP44 wall lights are supplied with dimmable G9 LED Light sources.

Not all G9 LED lamps fit inside the luminaire, if replacements are needed please contact us.

We cannot advise on what IP rating you require for your bathroom lighting; please check with your electrical contractor prior to ordering.

Please note that silk shades can deteriorate over time in a bathroom environment. Replacements can be purchased from us if needed.

### Made in England.

All of our lights are designed and manufactured in England by skilled craftsmen and women.

All designs are copyright to Tigermoth Lighting Ltd.

Tigermoth Lighting is a Lighting Industry Association Quality Assured Company.

WEEE Registration Number: WEE/BU3809XD
